

CURIOUSA

GLOWBULE COLLECTION OPTIONS

GLASS COLOURS - *Semi-Opaque*

Glass samples can be ordered from our contact page on our website. These colours are only a guide. When glass is hand-blown the colour will naturally vary depending on the shape and thickness of the piece.

Any small imperfections within the glass such as bubbles, swirls, slight variations in shape, colour and size are part of the hand-blown process.

White Twisted

NB. Flex only applicable to floor and table lamps.

FITTING FINISH

White Powder Coat

ABOUT THE GLOWBULE COLLECTION

Internationally-renowned designer, Adam Nathaniel Furman has teamed up with Esther Patterson, designer and founder of Curiousa, to create an exciting set of glass sculptural light pieces called the Glowbule Collection.

Each segment is individually free-blown in semi-opaque glass, meticulously ground and married together, creating a beautiful and continuous linear glow that marks the character of each of these pieces.
