

CURIOUSA

MAYA COLLECTION OPTIONS

CERAMIC COLOURS

Bone

Vanilla

Lemon

Citronella

Moss

Coral

Old Rose

Lilac

Eggshell

China Blue

A new collection of bone china options slipcast by Esther in her ceramic studio. The pieces are created using multiple coloured bone china, fired just once, significantly reducing the ecological footprint of each piece.

Hand-made ceramic samples can be ordered from our contact page on our website. These colours are only a guide, due to their hand-made nature. Exact colours and intensities may vary.

GLASS COLOURS

Clear

Citron

Blush

Turkish Blue

Teal

White

Lichen

Rosa

Aqua

Blau

A curated collection of complementary glass colours selected by Esther to pair with the Maya Collection Ceramics.

Our full range of 22 glass colours can be found on our website.

FLEX

Introducing five new flex colours available exclusively for the Maya Collection. All pendants are supplied with 1m of adjustable flex but can be specified to any length. All table lamps are supplied with 2m of flex with an in-line switch.
