

CURIOUSA

GLASS COLOURS - BATHROOM

Glass samples can be ordered from our website. Diffuse colours are created by sand-blasting the transparent glass to create a diffused effect. These colours are only a guide. When glass is free hand-blown the colour will naturally vary depending on the shape and thickness of the piece. Any small imperfections within the glass such as bubbles, swirls, slight variations in shape, colour and size are part of the hand-blown process.

CURIOUSA

CERAMIC COLOURS - BATHROOM

Bone

Vanilla

Lemon

Cintronella

Moss

Coral

Old Rose

Lilac

Eggshell

China Blue
